Experience a New Concept in Emergency Care

When urgent or emergency medical issues arise, Legacy ER provides the best of all worlds. We combine a state-of-the-art emergency room with attentive urgent care for everything from minor ailments to life-threatening emergencies. The advantages of our all-in-one approach? Less time, lower costs, more convenience and greater comfort than a hospital-based emergency room. Plus, we provide top-notch treatment by board-certified ER physicians. Let Legacy ER take the pain out of unscheduled medical care for your entire family!
